Model Long Beach

Product and ordering information

Model is **ONLY** available in the fabric covers Matrix, Melrose, Yelda and Vintage -
For choice of fabrics please refer to our latest fabric/leather collection

The covers can only be cleaned chemically!
Machine wash is not possible!
For more information there are **more textile labels on the cover!**

STRUCTURE:

- Frame: Load-bearing parts of the frame made of solid wood and wood-based materials, surfaces lined with padded cardboard.
- Seat: Unterfederung mit dauerelastischen Stahl-Wellenfedern und einer oberseitigen Abdeckung.
Loose seat cushions with a core of PUR-foam (min. RG 35). This is structured in layers and harmonised in different heights and hardnesses.
Seat covered with cotton wadding.
Especially light upholstery is distinguished by its highly soft surface. In new condition, the covers exhibit a pronounced wave pattern purposefully based on the design and structure. The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit.
Minor differences in seat firmness with add-on units are design-based and are therefore not a cause for complaint.
- Back: Loose back cushions with a ticking (filled with high-quality filling material, which may have an admixture of feather). Cover made of cotton wadding.
- Chamber cushions: This model features high-quality chamber cushions. The filling material is held in chambers within the cushions to prevent it from shifting.
The chambers and the filling material can stand out more or less depending on the type and thickness of the cover material.

ACCESSORIES: Cushions (approx. 40x40 cm), cushions (approx. 50x50 cm), cushions (approx. 60x60 cm), cushions (approx. 60x40 cm), arm roll (approx. 57x15 cm) - ONLY available at a surcharge
Flutter cushions square M (ca. 75x75 cm), flutter cushions rectangular M (ca. 95x75 cm), flutter cushions square L (ca. 95x95 cm) - ONLY available at a surcharge

Decorative fabric: The decorative fabric is only available for cushions and pattern matching is not possible.

Stitchings: the carcass is always provided with standard seam!

For armrests-, seat- and back cushions you can choose between:

Variant 1: Standard seam

Variant 2: Contrast seam in two-needle optic - always in beige colour

Please always mention with your order! Please note that we always confirm the standard seam for orders without reference to the seam variant!
A mixture of different stitchings for armrest- seat- and back cushions is not possible!

Leg: Glider

OTHERS: **The covers are pulled up by the manufacturer. Exception: maxi sofa!**
Due to transport, the maxi-sofa always consists of 2 parts (divided in the middle). The cover consists of one part and must be pulled up by the customer.

All materials used meet the requirements of the DGM according to RAL GZ 430.

The appearance of the stitching may vary depending on the fabric, leather and artificial leather used. The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found on the back of the individual fabrics and leathers in our fabric and leather samplers

All dimensions stated in the pricelist are approximate dimensions in cm, determined according to usual measuring method (see RAL-GZ 430) and in unused new condition.
Please note that in case of very light upholstery especially the seat height and seat depth can be discerned during the course of use to the dimensions mentioned. We reserve the right to make changes in shape, colour and design within the scope of technical progress.
Please always order from left to right as standing in front of the suite.
