FELIX SOFA

Design Calvi & Brambilla

Calvi Brambilla, studio multidisciplinare fondato da Fabio Calvi e Paolo Brambilla che unisce architettura, interior design e design di prodotto, firmano il divano modulare Felix. Capaci di fondere fantasia e rigore, elementi d'arredo e soluzioni decorative, Calvi Brambilla tracciano un segno architettonico dalle linee essenziali, che si contraddistingue per l'eleganza dei suoi dettagli. Sedute generose, morbidi schienali e braccioli sagomati pensati per il massimo del comfort sono racchiusi da un perimetro leggero in metallo: i braccioli e le giunzioni nel retrodivano sono impreziositi da un intreccio in cuoio, abbinabile alla struttura tubulare metallica verniciata aggiungendo un tocco di colore e pregiata artigianalità a questo progetto in un mix armonioso tra design contemporaneo e dettagli vintage. Felix è un arredo dall'immagine senza tempo, capace di adattarsi con eleganza a qualsiasi ambiente ed essere interpretato personalmente, nella scelta dei rivestimenti e degli abbinamenti materici.

Calvi Brambilla, a multidisciplinary studio founded by Fabio Calvi and Paolo Brambilla that combines architecture, interior design and product design, signs the Felix modular sofa. Capable of blending imagination and rigor, furniture elements and decorative solutions, Calvi Brambilla draws an architectural sign with essential lines, which is distinguished by the elegance of its details. Generous seats, soft backrests and shaped armrests designed for maximum comfort are enclosed by a light metal perimeter: the armrests and the joints in the backrest are embellished with a hide-leather weave, which can be combined with the lacquered metal tubular structure adding a touch of color and fine craftsmanship to this project in a harmonious mix of contemporary design and vintage details.
Felix is a piece of furniture with a timeless feeling, able to adapt elegantly to any environment and be interpreted personally, in the choice of textiles and material combinations.

Base: legno multistrato rivestito in tessuto protettivo accoppiato.
Cuscini seduta, schienale e bracciolo: poliuretano espanso indeformabile e Cloud Foam (tipo 2), rivestiti con trapuntino in Microflock (poliestere rigenerato).
